About **Jayash Infra Tech**

Jayash Infra Tech specializes in high-quality industrial fabrication and erection services. With a strong workforce and modern techniques, we deliver reliable engineering solutions tailored to industrial needs.

Our Vision

- ✳ To be a leading provider of engineering and fabrication services.
- ✳ To uphold world-class quality and safety in every project.
- ✳ To build long-term client relationships based on trust.

Why Choose Us?

- ✳ Skilled & certified manpower
- ✳ Advanced fabrication capabilities
- ✳ Strict QA/QC systems
- ✳ On-time delivery
- ✳ Cost-effective solutions
- ✳ Strong project execution

Our **Services**

Structural Fabrication

- * Beams, columns, trusses
- * Industrial sheds & PEB structures
- * Platforms, ladders, walkways

Structure Erection

- * Steel structure erection
- * Conveyor & equipment installation
- * Precision alignment & hoisting

Piping Fabrication & Erection

- * MS/SS/CS piping systems
- * Hydro testing & NDT

Electrical Works

- * Industrial electrical installation
- * Cable tray fabrication & laying
- * Control panel installation

Maintenance & Shutdowns

- * Preventive maintenance
- * Mechanical repairs
- * Skilled workforce

Our Clients

- | | |
|-----------------------------|----------------------|
| * BL Kasyap Pvt Ltd | * Sapoorji Pallonji |
| * Simplex Pvt Ltd | * Laangur Infra Taeh |
| * Laangur Infratech Pvt Ltd | * Imagina Pvt Ltd |

Our **Strengths**

WPS/PQR certified welding | MIG, TIG, ARC, FCAW

CNC cutting systems | Safe rigging & crane operations

Detailed documentation & reporting
